Identification of Iowa Health Advantage Members

Iowa Health Advantage members are issued a member identification card, a sample of which is below. Members have been asked to bring their ID card at each visit, but many may present for care with a copy of their Nursing Home Medical Record Face Sheet. This may be your primary means of identification rather than the ID card. Please see example copies of the Face Sheet on the next page; these will vary in information and format based on the facility, but all will have a section that identifies the primary payor as Iowa Health Advantage. Most of our member have Medicaid as the secondary payor, so you may find the member's Medicaid number on the Face Sheet as well; if not, please contact the Skilled Nursing facility.

Identification of Iowa Health Advantage Members

Frequently Asked Questions

Claims payment and submission

Who do I call if I have a question regarding a claim denial?

The Customer Services Department is available to assist with denial questions about claims. The number is 866-327-0523. You may also contact your local Provider Relations Representative for assistance.

What fee schedule does lowa Health Advantage use to pay providers?

lowa Health Advantage is a product of American Health Plans, Inc. (AHP), a Medicare Advantage organization that holds a Medicare contract to provide these services in several states. AHP uses the current Medicare fee schedule for the state where the services are rendered.

What should I do if I bill Medicare, the claim is denied, and I find out the member had lowa Health Advantage at the time of service, but timely filing has passed?

If you have not filed your claim to Iowa Health Advantage, please do so. In order for the claim to be considered for payment, it must be filed to Iowa Health Advantage within 180 days of the date of the Medicare EOP (Explanation of Payment). Upon receipt and processing by the Health Plan, you will receive a timely filing denial for the claim. At that point, you may submit a Provider Dispute Resolution form along with supporting documentation as evidence that (1) your initial verification showed that the member had Medicare and (2) that the initial claim was sent to Medicare according to the timely filing requirements of your Iowa Health Advantage provider agreement. Along with your Dispute Resolution Request, please submit a copy of the Medicare Explanation of Payment (EOP) for purposes of determining that the claim was initially filed to Medicare within this timely filing requirement. If that is the case, your claim will be adjudicated for payment according to the member's coverage and benefits. If not, the Resolution Request and claim will be denied due to this contractual provision.

Does lowa Health Advantage automatically cross-over claims to State Medicaid for coordination of benefits?

At this time, there is no automatic cross-over. Providers will need to submit claims directly to State Medicaid along with the Iowa Health Advantage Explanation of Payment for payment.

In what fields on the claim form should the NPI numbers be entered?
